EP

“ You were so much more than just my aunt - you were truly a second mother to me. The way you loved and nurtured me went far beyond simply putting food on the table. You were my rock, always there when I needed you most.

I cherish all our special memories together. The time you babysat Niyah and she managed to escape from the playpen, watching Puma for nearly a week while I was away, and how that little pup really kept you on your toes! I'll never forget when you offered to help with my dad, and I jokingly asked, "Who's going to watch you?"

While others will remember you for your amazing cooking, I'll treasure all our shared moments and our private phone calls that meant so much to me. You weren't just an aunt. You were my Auntie/Mom in every sense of the word.

I will miss you more than words can express. I love you forever, my Auntie Ann/mom.

Xoxo
