“ *My prayers and thoughts are with the family of LaCrystal. I had the pleasure of working with your daughter at JP Morgan Chase during tax filing season in 2020 and 2019. I live in Belleville and decided to pick up the Independent paper and saw her name. I knew she was special and I knew she was a child of God.(You can always tell who belongs to the Lord). She loved her daughter and had no shame in sharing pictures. I know you going to miss her dearly. God took one of his angel home. Keep her memory in your heart. With sympathy Mandy Belcher*

“ I'm praying for the family for the family I was introduced Lacrystal October of 2020 for the first time and she was so nice and pleasant I in my spirit that she was a Godly woman and I didn't see or hear from her again in May of 2021 I received an inbox on messenger of her inviting me to her inviting myself and the rest of my family to her baby shower because because Kevin and her was expecting a baby cheapest. Organize she said they're getting the babies shower invitation out in June and that the baby shower was going to be in August and the baby was due in October and I didn't hear from her again I washed her candlelight service and everything that the Lord had told me about her and that I felt in my spirit everybody at that service talked about so I am praying for the family frustrated because she was definitely a beautiful soul and seemed to have left great impression on everyone cuz she left one on me the first and only and last time that I met her God bless you all be encouraged in the Lord
