“ *"Hart you were the best roommate a person could ask for. It has been many years of good times. Each day I walk pass your classroom, I think of something you said and laugh or smile. Girl, I really miss you. I know your spirit still lives. I feel your presence. Until we have lunch again, enjoy your wings. They say God comes to get his best, he definately did. Love you. "*

“ Sending comforting words of prayer and faith to the family of my dear friend LaDonna Hart. Hold fast to the many fond memories you have shared with LaDonna for these memories will help you as you go through your valley of emptiness. Her spirit will live on in all of our lives. I can still hear her still hear her saying on many a phone calls "Theresa what are you doing?" and "how is Arielle and Dwight?" Our conversations and meetings were as though we had just left one another. It hurts but I have many fond memories that I too am holding fast to. To LaDonnas' family I am praying that God will keep you all in his care.

Love, Theresa , Arielle and Dwight Bennett

“ I worked with Mrs. Hart at Cody High School. I have always found her to be a warm person, with an abundant personality. She was always optimistic, motivating, and encouraging. She will truly be missed.

“ Sending my heartfelt condolences to the Hart, Simpson, Gilbert, Ryles and other relatives of my dear friend of 20 years, LaDonna Hart. Though we didn't talk or see each other everyday our connection was such that whenever we did talk it was as though we hadn't missed a beat. We would just pick up where we left off. You were a true friend indeed. I'm truly going to miss those" so Theresa what are you doing" "How is Arielle and Dwight?" I thank God for allowing our paths to cross. To the family I pray that you hold fast to the many memories you shared with LaDonna. Remember those days as you go through this difficult time as these memories will offer some comfort and strength to you. Larry, Sr. Larry, Jr, Lakita, and Lillie I am praying for and with you .
