“ *Lakeisha was always a happy person. She would always tell us to "go home and relax". She will definitely be missed by the Evans team.*

“ I knew this hard working woman as Keisha. Mainly at the end of my day going home she would tell me to go home and relax, have a cocktail and enjoy the evening. Our conversations soon grew to her telling me about her son and the other job she had. I want her son to know how much she loved and cared for him. I Pray that all family and friends stay as strong as she would want you to be. My heart truly hurts. Love you Keisha sending you the hugs you would give me.

“ I was heartbroken to hear about the passing of Lakeisha. She was always in the best mood when I'd see her at the end of my work day. She always made me laugh and was such a light. My heart goes out to her family.

“ Lakeisha was a joy to see every day at Evans Distribution. She was always so upbeat and pleasant to everyone and always put a smile on everyone's faces. My heart broke hearing of her passing. Prayers to her family.
