“ *Thank you LaKesha for coming into my life. I met you through Troy Hall (classmate). Never thought I would meet such a beautiful soul. From there, you began to do my sons (3 boys) hair. My boys really build a relationship with you. It is heart breaking to see you go so soon. You we will be missed by the Webb/Gill family.*

“*Charmane will definitely be missed. That huge smile and infectious laugh! I called her “SugarFoot” and she laughed so hard and said I like it! She was not just my stylist, but a sister and friend. I am saddened but I know where you are, as we had so many conversations about Faith and God! My last day of seeing you was May 3rd, we talked through the movie, as usual, you showed off your new items you ordered, I am forever thankful to have experienced You!*”

“ K2!!!! We had so much fun together. Though it's been a long time since we have seen one another you will truly be missed. What a wonderful personality and I will always remember that smile. You used to laugh at me all the time. Oh the laughs!
