“ *Keysha I can't believe you're gone your memory shall live on. I wish I had the chance to tell your story. I was to cracked up in disbelief you're gone. The memories of our family growing up the as kids to adults will forever live in my heart. Rest well with Leon aka (DJ) and the rest of our family. The Williams blood ☐ will forever run. You visited me in my dream the other night. I took that as you are okay. We had a ball the other night hanging out like old times. You were back yourself and healthy as ever.*
