“ I offer my deepest and heartfelt condolence to the family of my dear friend of 42 years, (LaMel Stanley). He and I shared a lot of fun times together. However those times are everlasting memories. I will miss his unique sense of humor. I along with all of his friends will always love and miss him. I want to thank his family for sharing him with us. Be encouraged.

“ I am so sorry for your loss. Lamel loved to laugh. I remember playing Braille UNO many evenings and he would enjoy the company and laugh, even when he was losing. He will be missed.
