“ *Larry was the life of the party at every family event. He could tell a joke like no other, and he kept us in stitches. I remember walking to Palmer Park with him, and even the Highland Park fireworks- whatever it was, he made it fun. He took me and Cheryl to the State Fair (it was my first time)- and he remains a HUGE part of my fondest childhood memories. I will miss him forever, and I am so grateful for the time that God allowed.*

“ *I don't even know where to begin. Larry was a very complex person as we all are and he definitely made a lasting impression on everyone that he knew. We grew up together, we lived together, we laughed together, we did so many things together. My deepest and sincerest condolences to Cheryl, Brittney, Gloria and all of his grandkids. We will all miss him deeply. God Bless you and keep you all during your time of loss.*
Love Tony Clark, one of Larry's nephews.

This was my funny Uncle. The one who lightened every situation and made it bearable. He was always moving and shaking. My favorite times around him was the holidays at my Grandparents. Larry Mack will truly be missed. My heart goes out to my cousins and the rest of his extended family.
