“ *To the family of Mr Shaw, please accept our condolences for the loss of your loved one. We know that words cannot express the grief you must be feeling at this time. Please know that God is not indifferent to sufferings that humans go through when death occurs. He suffered through the loss of a loved one himself, his own son. In that regard he arranged for the resurrection for Jesus and he has done the same for the human family. Please that Jesus commented about this at John5:28,29, where he said that those in the memorial tombs sill hear his voice and come out. This wi,l be to life here on earth. We hope this hope brings a measure of comfort to you.*

“ *Our thoughts are with the Dennis Family.  
In just a little while all of the pain and sorrow that we feel from the  
death of our love one will cease and be replaced with joy, because  
the former things have passed away.*
