“ *My sister. Words can not express how much I'm going to miss you. It's going to be hard coming to the D and not seeing you. I always got a kick out of watching you cry everytime I would do a pop up visit. We would be laughing and crying like two old people. Then you would always gesture me to wash my hands before hugging you. As if I didn't know better. Lol! Man it hurts me so bad that you'll never get to visit me in Texas. But I know your my angel 🙏 now watching over me. I'll always cherish the memories. So many memories. Like all the Maze concerts we went to. How we would always point to each other when Frankie would sing our part, "We Are One"! That's our song forever!! I'll be thinking of you everytime I hear it. I'll point up and say, "We Are One"!!! Thank you God for sharing such a beautiful vessel full of love and kindness. No more pain. RIH my sister. Love you forever!*
