“ *Love and prayers for peace and healing for all. La'Shon attended many Congressional meetings where she courageously shared her story. She was passionate and cared about those who need a hand up, and had no voice. LaShon was working so hard to give Caleb a good life and opportunities she didn't have. She was a fierce advocate and mother who would do anything for her beloved Caleb. Our RESULTS Detroit and Ann Arbor groups will miss her smile and loving participation in our group. God Bless them.*

LaShon was like a daughter, & Caleb like a grandson. LaShon became a volunteer with the international citizens grassroots organization, RESULTS. RESULTS works with officials in Washington, DC, on legislation proposed that will end poverty, domestically & globally. It is thru meeting with members of Congress on Capital Hill in DC, that LaShon realized she had to say something to say. She had found her voice & when LaShon spoke, members of Congress listened. No, they didn't always vote the way she wanted them to, but they definitely heard her.

I often wonder who LaShon would have become had she lived. I believe we all would eventually know LaShon Marshall. Rest In Power my daughter. Your work, legacy, & voice continues. ❤️
