“ Tish was one of my favorite people! I have been knowing her family since I can remember & I am going to truly miss my friend...I am still in disbelief..

“ Man what can I say. The absolute nicest biggest heart motivating and resourceful daddies girl I have ever met. Tish You made me a better nurse. You motivated me to learn and taught me during our short time as co-workers. You invited me to your home a few times and we laughed and talked and you motivated me to be healthier and a better person. You always said you had to work 60 80 hours a week to maintain your lifestyle because your daddy said you couldn't come home. We use to laugh about that. Man I'm so shocked your gone. This world has truly sent an angel home. RIP Tish. Gone but never forgotten or replaced. I finally figured this nursing out. Thanks to you ❤️.
