Tribute Wall

“ Tonya I told you so many times but still, Thank you.. Thank you for being the definition of a Friend. We ALWAYS HAD FUN! Remember to sleepover we had at your daddy’s apartment and we were looking at Kirk Franklin choir and we all decided that we wanna make our own choir and start singing, Silver and Gold and had Sandra as lead... Lol. Or the time we were walking and having singing battles and people starting clapping lol. Sitting with you during the painful days hurt but I wouldn’t trade them. In good or bad you never not been Tonya. Everyone else call you “Chocolate “ but you’ll forever be my sister, friend Latonya. You’re really gone.. numb.
