“ *LaToya and I clicked instantly when I first came to the Stephenson store. I was able to confide in her and she kept me on my toes as well as kept me calm. She was silly like me but we had one disagreement and she came to me to set me straight haha. She walked in that kitchen of the Deli and told me about myself & cleared things up. We stayed in contact when I went back to my old store and she helped me tremendously when I worked in the bakery and I was terrible 😞. She was so easy to talk to and helped me so much more than she will ever know and I appreciate her for life. She loved her family & her grandson was my lil friend and she would have share so many stories about him ❤️. There are so many memories I have of her that I will cherish and one thing about her? She may not be having the best day but if you are down too? She will make sure you feel better. I honestly have nothing but good things to say about her and it makes me smile thinking about her 😊❤️👩🏾. I also want to mention that hugging her mom felt so comfortable & genuine like I already knew her. Heaven has gained such a beautiful soul and she will truly be missed.*

“ *LaToya is the beloved Mom of my dear granddaughter Janai. Toya's sudden transition has been surreal and difficult to accept. Those of us who knew Toya to be that vibrant affable young lady, easily engaged in conversation, felt assured that the second half of her life was ahead. Me, my son Jason (Janai's dad), and all of my family who knew Toya, are grieving Toya's loss and wish her a peaceful journey. Her earthly legacy is set as Toya's children, siblings, parents, grandparents and extended family will hold her dear in their hearts forever. Our sincere condolences and prayers for their comfort are humbly offered and heartfelt. May God keep them in His care. May Toya rest in peace and love.*

“ *Toya is the beloved Mom of my granddaughter Janai. Toya's sudden transition has been surreal and a difficult acceptance. Those of us who knew Toya to be that vibrant affable young lady, so full of life, certainly thought the second half of her life was ahead. Me, my Son Jason and all of my family who knew her are collectively grieving at her loss and wish Toya a peaceful journey. We celebrate her life and offer sincere condolences to her children, grandchildren, parents, grandparents and extended family. May LaToya Rice rest in peace and love. We salute God's higher purpose.*

“ *My Condolences to the Latoya's Family. I grew up knowing Toya as a child and she was always so beautiful and nice to the kids on Monte Vista. I am saddened by this news. I will keep her children and grand children in my prayers*
