“ *If Aunt Laura were in our physical presence hearing the comments on how wonderful she looks, she'd give a smile tucking her head with her signature giggle that I remember. She loved to cook and lauged easily.*

To my step-siblings Butch, Eugene and Linda: You three have done a beautiful job! Although I can't be there with you tomorrow, know that I am there with my CA family in spirit! With respect and feelings from my heart, I appreciate the love your mother, my "Aunt Laura", showed toward me including not making me feel any different from the three of you. When you ate, I ate. When I would visit and spend the night, I slept in a bed as well. It takes a special person to make a child feel included as if they were their own, that speaks volumes and pleases God.

"Aunt Laura, I've asked Butch, Eugene and Linda to give you a kiss for me. That way I know you are sure to get 1 if not 3. Thank you for loving me." :-)

Butch, Eugene, Linda - I share in your sadness and we must go on. Rejoice knowing that Aunt Laura is well and is in God's tender love and embrace for an eternity.

Janie I know it's been almost three years but I want you and Mac to know none of you have ever left my mind or heart. Your Mom is an amazing soul. She knew how to make us smile, gave me as a new mom myself such wonderful advise and guidance. She was and always be the reason for so many smiles on faces even still.

“*My condolences to Ms. Laura's family especially to my "brother" Alexander "Big Mac." It's hard to believe that Alex and I go back over 40 years when we were both warriors stationed at Wurtsmith Air Force Base, Michigan. We also did some hunting while up there but that's for another day. I didn't have the pleasure of meeting Laura but knew she was special through her son. Again, my condolences and wishes for strength to accept Ms. Laura's passing. She will be missed.*

Sincerely, Dave Fox, Ocala, Florida
