Dear cousin Bonita and family, our hearts are with you! May you take this time to reflect on the wonderful memories of your son, those times that made you laugh, those times that made you rejoice and those memories that you will keep in your heart for always, because Levar is there. May you be reminded of Psalm 23, The Lord is my Shepherd.....We pray that the God of all Comfort will comfort your heart and the hearts of this entire dear family as only God can. You all are precious in His sight. We pray that God will Break Every Chain that the enemy plans and brings restoration and transformation to this family in Jesus Name! We love you all, and are here for you - not just now but for a lifetime. Smooches

“ *I thank GOD for your spirit being quickened to pray was nothing but GOD. For that whole week I was led to pray "don't let them leave without making it right with you Lord" I didn't know why and now I understand a bit more(Would have tried to stop it). May you rest in peace. God's will be done.*
