“ No matter what you were going thru Lavon would make you forget about it and move on her famous Quote I once didn,t know you. Whatever I needed she would see that I got it,one way or another. To Micky, Bobby, Erick your mother was the best with me yes we had ups and downs so what we always got over it and moved on.Ms. Lavon was a very classy and sassy lady from her head to the shoes on her feet.
