“ *Honestly Will there's not a day that's good by with out thinking of you. I never knew how much you you really meant to me until you were gone, seeing your face everyday on as Ashton abd having simple concessions actually made a difference too me where you know it or not. I'm just angry at myself for nit sending more time with you. I just wish the time I didn't with you wasn't the last sometimes I even wish that it was me instead I know you can't physically respond to this but I really miss seeing your face and hearing your voice. I wish heaven had visiting hours so we could spend as much time as possible...love you Willie and I'll see you soon.!*
