“ Low was my nephew and I still can't believe he's gone. It doesn't seem real, I keep looking for him to call me for a ride in the morning. This was a devastating blow and one I won't ever get over. I loved him and we really miss him! Uncle Tony

“ *Low was a wonderful father, person and a supportive, loving mate. We were just talking Thursday evening, September 12, about his loud snoring. Never realizing this would be the last time we would speak to him or see that smile. We already miss seeing him each morning. He is truly going to be missed and it will take forever to recover from this. We loved him as our family. Love Uncle Tony and Ms. Glo( as he called me)*
