“ *Mr. Lawrence Leroy Warren*

“ *I worked at Van Buren Public schools as a maintenance carpenter for many years and retired in 2008. I came to know Mr Warren as some of my duties were asking principals questions re processing wood working work orders. I found Larry to be one of the most reasonable, insightful and wise principals I had the honor to work with. We had the chance to chat on a personal level on a few short occasions and share matters of our mutual personal faith in God. May God bless and encourage you during this time of loss. God Bless. Art Metcalf. Psalm 34*
