“ *My loving grandmother , words can't explain how much I miss you already... I wish I was able to spend more time with you it's sooo much that I needed to say while you were here ... wish you had the chance to see how I'm good I'm doing ... really feel like I've been a disappointment to you and I didn't make you happy enough ... but ima leave it my regrets in the passed and move forward and turn my pain into something positive.. it's because of you why I'm the wise young lady i am today ... hope you can see how much I love you and you love me to .. I love you forever .. you are my angel now*

I knew Ms. Joyce was a blessing in my life as much as she would say I was a blessing in her life . On behalf of Tj, and my self we thank you all so much for sharing your gift with us . We will forever miss you our true angel!!

“ My deepest condolences to the family in the loss of a loved one so dear. It's hard to find the words to express my sadness over the loss of a friend, who in many ways was like a sister to me. I can't even begin to comprehend the depth of emotions the family; especially her children may be feeling right now. You guys were her world, and she loved you so very much. She loved her whole family. She loved life, music and sharing her great meals with everyone. Rest in Heaven, in the arms of Jesus who love you most.
