Earth has no Sorrow that Heaven can not Heal. We express our heartfelt sympathy to you and your family in the loss of your Wife Lelia. Praying you feel the presence of the Lord today and draw strength from Him to be your comforter.

When we lose a loved one here on earth, we gain an angel in heaven to watch over us. You must continue to strive toward your goal in life and be brave, knowing that her life and love does not stop at the grave.

May the loving memories you shared with your Wife help you through the difficult days ahead. God has her in his arms and you will always keep her in your heart.

You will always remain in our prayers.
