“ *My memory of Lena will always be her laugh. When I was young and Lena would start laughing, I would just think that was the coolest laugh ever. I think that's where I got my laugh from. Now that unique laugh is silenced forever but will never be forgotten. Lena, you will be missed. Rest peacefully. Love you. Your sister Rhonda ❤️*

“ *Lena became a friend of my Mother, Maria Cardenas, when she moved into Ziegler’s. They would play bingo there every week and I would play bingo at different places with them for years. Lena was a very sweet and kind person. She was a good friend to mom and me! We will miss her but never forget her. Until we meet again! Our prayer is that she is happy and in peace in the arms of our good Lord!*
