“ Dear Valerie and Family, my heart goes out to each of you. Some of the days ahead may be better than others. I found solace after losing my Dad last year, in remembering the times spent and the conversations we had. Taking the time to feel our feelings and remaining in gratitude was so beneficial. May you all be comforted and your hearts at peace. Sending prayers, blessings and love. From Stephanie (MAHLE Behr Service America, LLC) and your work family.

“ Dear Family,

My heart goes out to each of you as I was in your shoes just weeks ago when my sisters and I laid our mom to rest. It's a rough road ahead in the days to come, especially after all the planning is done. I found solace in remembering the times we've shared and conversations we've had.

I'm grateful that Grandma Payne had the opportunity to meet her great grandson, Remington, last year. They hit it off pretty well I say. I hope it comforts you somewhat that now she's resting in the arms of the Lord. I'll pray for our strength.

*Love,
Alrica Payne*

“ *Ms. Leola "4-4-4" Payne is a very dear friend of mine. I have only known her for such a short time. We had so much fun in conversations and attending entertainment at BROOKDALE SOUTHFIELD. Some times we would sit in the living room area and talk, laugh and appreciate each others company. She will be and is already greatly missed.*
