“ My thoughts and prayers are with the family and friends of Mr. Leon Fleming. I only meet him on a few occasions, yet the hospitality which he extended to me i'll never forget. Leon was a dear friend of my grandfather, and I know they shared great moments fishing , talking and bonding together as friends....as men. His presence and being will be sorely missed, fore friends and genuine men come few and far between in a lifetime. I pray that his life was indeed full and that God will bless his soul everlasting.

“ Our sincere condolences to the Fleming family & friends. May the memories of happier times together comfort you during this difficult time. May the peace of God that excels all, guard your heart. Remembering Leon attendance at our Class Reunion year #52/70 yrs of age Celebration July 12-14-2013, held in Hammond Indiana as Leon danced while cooking Fish. He loved his High school class. Thanks Leon for loving your classmates so much that you shared your final moments wearing your 61 Class T-shirt. I would like to thank Leon's daughter for allowing me (Gail) to hear her father's voice prior to his Final Journey.
