

Mr. Leonard Thomas Davis

February 10, 1967 - February 16, 2020

In Loving Memory Of;

Leonard Thomas Davis was born on February 10, 1967 to Sarah and William Thomas Davis. He was the third and final child born in their union. Leonard was affectionately called Payfee from a young age by his grandmother, Mary. This nickname stuck with him.

As a child, Payfee always played well with others. One of his favorite past times was going to the hobby shop. He especially loved building model cars. When Payfee was not busy with his model car hobby he was busy with his other favorite past time...being a jokester! Payfee loved to laugh and crack jokes on any and everyone...including himself. His love for laughter followed him into adulthood. He took pride in everything he did. He graduated from Mumford High School with honors. He later began his truck driving career where he landed a job at Northern Lakes Seafood and Meats where he contributed a prompt, precise, and hard labor for years. He met a variety of people while delivering quality meat. He left a contagious impression with his humble spirit with whoever's path he crossed.

Payfee could make anyone laugh with his infectious laughter alone. He was also known to be very giving and loved to entertain. Payfee loved to cook, listen to music, doted over guns, loved animals and many didn't know that he was good at drawing.

On Sunday, February 16, God suddenly called Payfee home. Although, we all wish to hear just one more joke from him, we are thankful that God allowed

Payfee to be a part of our lives and will forever hold the fond memories close.
