“ *LeRoy was a awesome man and a great friend. He will be truly missed. Love always Pam and Terrence N.*

“ *Leroy had "presence". When he was in the room, you knew he was in the room; from the way that he dressed (always fly), to his loud voice and even louder laughter. He had "character", to the extent that one of the meetings became known as "Leroy's meeting", although the meeting would be overflowing with members. (He would get those good donuts from Dutch Girl). Leroy helped a lot of people with his message of recovery. Peace be the journey, my friend. Your "presence" will be missed.*

“ *Our thoughts and prayers are with the family.
In times of distress we need comfort that soothes our hearts. May
the peace of God guard your hearts.*

“ *I'm grateful that Leroy was in the fellowship when I got there. If you sat at a table he led, he made you accountable for your actions. And, he made himself accountable. Leroy had no trouble owning his short comings. I will always remember this good brother and miss his presence.*
