“ *Lester changed my world when he thought of me when his workmate asked if he knew any nice ladies. He told him my girlfriend's friend is a wonderful woman but she has baggage. Also know as me in a wheelchair and 3 small boys. Lol thank goodness with many of times they ask me to call that guy I finally did and next year I will be married to my angel for 30 years. Love you bro and I can't thank you enough. Till we meet again much love , Theresa*

“ *We started out in Middle School and eventually. 2 beautiful children were born during our Union. As much as you're going to be missed, it's peaceful to know that you are no longer suffering with your own ailments. Emotions are mixed as I'm very sad that you had to depart your life on earth. Forever in my heart and memories, you will be. I'm upset at you for leaving but I know God makes no mistakes. I'll always Love and Miss you Dude!! 🥺❤️*
