“ Thank you 🙏 Thank you for blessing my life with your presence, your wisdom, encouragement and your family especially Lutora. She is my heart and I am forever in your debt for giving me something I was missing. I will continue to be in the mercy of God for our continued covering of comfort and peace. May my memories of you always be clear and on my mind.

“ This is saddening for me. I'm her next door neighbor. I have a daughter who's now 5 years old we moved on the block when she was 2 years old. Khayla would always sit on the porch with her every summer and they would talk and laugh. She enjoyed her company. They called each other bestfriends. Mrs. Hawkins will truly be missed.
