“ *Louie and I attended Halley Elementary and Mumford High School together class of 65 . In elementary while playing baseball I accidentally hit Louie with a baseball which left a permitted scar on his eye . Years later when we ran into each other he reminded me of the incident by pointing to his eye and laughing . Those were the good old days.*

With Sympathy to his family . He will be truly missed.

“ *Lewis and I went to Halley Elementary School together. We were in the 5th thru the 8th Grade together. My Deepest Sympathy goes out to the Colson Family and to his sisters, Sarah, whom I remember very well, and to Wanda, who I met earlier this year in Bible Study at Fellowship Chapel. “ To the family of Lewis A. Colson, Sr., I'm sending my heartfelt condolences . I claimed Brother Colson as a mentor of mine and a man's man who fought for what was right and fair. Hundreds of Officers of color should have gotten to know this man, he opened up alot of doors for us all.

Louis Colson was my brother in the struggle for justice and equality in the Detroit Police Department in the 70's and 80's. We continued the fight on the national level with the National Black Police Association. Thereafter, we formed the Guardian Peoplemaker Project to address drug education and prevention in the Detroit school system. Lewis was a warrior and educator on the frontline till the good Lord called him home to higher grounds. May the good Lord continued to be with his wife, Glen and family. Louis Colson was an awesome speaker at our many counselor conferences within the Detroit Public School System. HE had a way of enlightening us on the drug culture that exists with the city of Detroit. To his wife, Glendoria may God grant you peace that surpasses all understanding. To the family may God give you comfort in knowing that your loved one is resting in the bosom of Jesus and is also with his father Booker Colson (a longtime member of New Prospect) I will continue to keep the entire family lifted up in prayer.
