“ *Lil' my beautiful little cousin, I love you and will truly miss you. It hurts so much to know you are gone but I also know that to be absent from the flesh, is to be present with the Lord so I know you are in the best hands. The last time we talked you said we (all the cousins) all needed to spend some time together, life got busy and that didn't get to happen unfortunately but I truly wish it did. You have shown me that we take our time with one another for granted. We should make time to love on those that God has placed in our lives. This world isn't always the kindest place so we should all shower each other with appreciation and encouragement. You've reminded me of that. Baby girl you definitely shocked us with this one. I pray that you find true peace, endless happiness, absolute health, and never ending joy. I didn't say it enough when you were here but I love you cousin, so much! Until we meet again...Rest in Jesus Lillian ❤️*

“ Lillian was a very beautiful soul. She lightened up the classroom when she walked in. Lillian worked very hard to reach her goals and often encouraged others to do the same. I will miss her determination and laughter.
