“ FROM KENSINGTON CHURCH

I am going to miss the gift Linda was to us. She would get to church every whole day. She would pray for our service, she would pray for the people, the word, and she would pray for me as I taught. I am going to miss her and in our prayer room on Sunday mornings.

Pastor Adam Karschner

Although we didn't know each other well, she had an unwavering love and so proud of the eldest (I'm not sure of his name). She was consistently prayer and fully committed to glorifying God. She had a spirit of praise recognizable just by knowing her.

Jeannie (Prayer Team, Kensington Church)

She was very warm, easy to be around. She was ready to serve, no one's family was her priority after the Lord. It was obvious that she was the number one.

Tina (Prayer Team, Kensington Church)

My sentiments also about Linda. she was a mighty prayer warrior also. several times with people and she truly had a spiritual gift. As has always family was her life, especially those grandbabies of hers.

Jeanette (Prayer Team, Kensington Church)

To the family of Linda Baker

Heavenly Father, we thank You for the gift of life. We thank You that You many days we have on this earth to live before we would join You in Heaven. You for giving each of us purpose and entrusting us to be in Your hands and You Father for the gift of Linda. We thank You for who she was and what she was. One of the greatest gifts You chose to bless us with is mothers. Linda was a mother. She was an even better grandmother. She demonstrated poise, wisdom, and strength. More importantly, she let the world know that she was Yours. She was given to her by You and anyone who knew her, knew that to be true. The most remarkable things about Linda was how she prayed. Every single time she prayed, things changed, and we were all better and blessed because of it. Father, I as

Linda's family in a way that only You can. I pray that the gaps of life the family would be filled by You. I pray that her family will be comforted du grief. I pray that You will show Yourself faithful to her family through ble of unmistakable miracles. It was an honor to get to meet Linda. She wa Living God, Your daughter. She represented You well. We ask all these of Your Son, Christ Jesus. Amen!

“ Linda was a kind, thoughtful, down-to-earth lady, who I loved being ‘next door neighbors’ with at Parker Elementary for years. My students loved her! Despite challenges that come in this world, she did her part to make it a better place. God’s blessings to her family. Rest easy, Linda ❤️ .
