“ Linda and I lived on the same street and met when I was 8 and she was 9. I was so very sad to hear of her death. She was a true friend to me and I to her. There were years that we lost touch but we'd always find each other again. I will miss our long talks to catch up on life. So many memories. I send heartfelt condolences to her family and friends. This is a hard loss for me. 💔.
