“ *"My Angel, My Wife, My Friend"*  
*I asked the Lord for a wife and He sent you Lin, a Angel into my life. A woman that I could embrace as my real true friend and always love as my beautiful wife. God answered my prayers and sent you from above, and that day my life changed forever with your faithfulness & love. its hard for me now with you not being near, but I cherish the loving & exciting moments we had when you were here. I miss you so much and still don't understand, yet I know that it is part of God's greater plan. I will always love you this I know, and upon each waking day forward I will go. I love you Linda "Lin" , Your Beauty was "Inside & Outside"*
