“ *I would to express my sincere condolences to  
the family on the passing of your  
sister/mother. She may be gone from us on  
this earth, but she is now in a better place that  
we are striving to achieve. I had not seen her  
in many years, but was happy to see and talk to her last year. I'm  
sure her pleasant personality, smile, beauty and class will be  
missed by all who knew her. My prayers are with you during this  
difficult time.*
