

Mrs. Linda Diane Goree

July 26, 1952 - September 1, 2015

Her Life:

Linda Diane Goree was born on July 26, 1952 in Mobile, Alabama to the union of Percy and Clara Farrier. She was the youngest of six children. Her parents, and her brother Cleveland and sister Ora preceded her in death.

Linda graduated from Mattie T. Blount High School located in Prichard, Alabama in 1971. She accepted Christ at a young age. Linda moved to Detroit, Michigan as a young adult. She worked at Great Lakes Steel for a number of years and during that time she met the love of her life Calvin Goree. Together they raised seven children.

Linda loved to live life. She enjoyed traveling, dancing, entertaining others and singing in the choir. After working and raising their children for many years, Linda and Calvin decided to enjoy their retirement by moving to Decatur, Georgia. With Linda's friendly and outgoing personality, it didn't take long before she met many friends and joined Ray of Hope Christian Church.

Linda was a true "saint" of God, an encourager, kind free-hearted, patient and most of all she loved everyone. She showed concern for those who were in need. Whatever she had, she made it available to those in need. She also provided good, honest, sound advice for those in need of guidance. Most of all she was a praiser and a prayer warrior. She loved The Lord!

Linda valiantly went through a season of ill health; even still, her spirit was strong and her faith was deep. Relieving her of her brave fight, God called Linda home on Tuesday, September 1, 2015.

“ *Diane was such a delightful person! Her vitality, especially that laugh always lit up the room. Although we only met in recent years, we really enjoyed my 'cuz' and Cal's company! We will miss her compliments on our cooking! Cal and. remainder of family, please take comfort in the. fact that our Dear Diane is now at rest away from the travails of this world. Cherish your loving memories of her. John and Mary Andrea Thomas*

Sister Linda glory wasn't one of the most faithful, loving, kind, and generous people I have ever met! She and her husband, Cal, became members of Power Centre Church of God in Belleville, MI where I served as senior pastor for many years. From the time they became members until they moved to Georgia they were loyal and devoted members in that congregation. We all loved Linda's gregarious personality. She was outgoing, vivacious, friendly and just a real blessing to everyone she met. We will always cherish the memories of the great times we had together as she served to God and her fellow members with all of her heart. Rest in peace Linda you fought a good fight you kept the Faith and you have finished your race. You will live on in eternity in our memories. Prayers will continue for you Cal, and the rest of the family!

“ Mom I miss you already. We serve a faithful God and he gave you the peace that only he can give. I have learned so many things from you every since I was 16 until I talked to you 2 weeks ago. You always said put God before any plan and that his plan is perfect. You often reminded me of the strength I had as a wife and a mom even when I didn't feel I had it. I thank you for being a true example of what a Proverbs 31 woman truly is. I am crying because you aren't a phone call away but SMILING hard at every memory, growing pain and victory we shared. I will never forget you mom.

Love Always and Forever,

Autumn
