“ *To Linda's Beautiful Children, Grandchildren and Family. I want to offer my Deepest Heartfelt Sympathies for your loss. Linda was a Wonderful Human Being, she always put the needs of others before herself. She would offer whatever she had to help someone else. Linda was a tireless worker, making sure that her efforts improved her student's lives. Linda always found a reason to Smile and sooner than later you had a reason to Smile. She gushed with her Hopes and Dreams for the future. Linda never saw a mountain that she could not climb. She Loved her Children and Grandchildren with all of her being. I am so Grateful that I had an opportunity to know and work with Linda for many years. May God's Love and Strength help you as you travel along this journey. I will miss her.*
