“ *Linda's smile and laughter will echo in the hearts of her friends and family forever. Her candid way of expressing truth was unique and needed! After starting as a childhood friend of my niece Laura ("Pam"), Linda and her Mom and family connected to our family and the relationship lasted over the years - through marriages, children, joy and loss.*

Now Linda has made her transition and joined her heavenly family, including her beloved husband Oscar. We mourn her and her physical absence in our lives but defer to the will of our Creator. Rest easy Linda in love and peace.

Sincere condolences are sent to all of Linda's family. We pray for your strength and comfort.

“ *My condolences to the Payne family. Mother Payne invited me with open arm's. I was going through some hard time's. She sat me down and told me that when you are going through the storm, God is testing you. because he's about to bless you. Then I knew God used Mrs. Payne to deliver this message to me. This was the first time I met her. I road all the way from Toledo. Ohio with one of her family members. Just to get away from the stress. Not knowing I was going to talk with one of God's angel. I know I'm blessed to have the pleasure of being in her presents of this beautiful angel. And I say to the family. God bless you all. Please stay strong for one another. And I know you would give anything to have her back. But God need her home now. so she must spread her wings in heaven .Lord watch over the Payne family. In the wee hours of the night. And no one else is around. Baptize their tears and dry there eyes. IN JESUS NAME AMEN!!! Condolences from. Joyce. Hooks. Teron. Harris. from Toledo. Ohio.*

“ So many memories.

Mrs. Linda "Uma" Payne.

I enjoyed every walk we took. It was truly my pleasure to have coffee while strolling through the neighborhood having long talks about life. You taught me so much. And encouraged me when you knew I was hiding my pain. Thank you for loving me.. For opening your home to me and my family. Thank you Uma for being such a Beautiful Queen.

♥Linda♥BigDaddy♥

Until I can hug you again ... You will always be in my heart. Gone but never forgotten.

Respectfully Bowing ...Marea Morton
