“ *I was very saddened and shocked to hear about Linda's sudden passing. Linda and I were coworkers at Difco Laboratories. Over the years we shared memories at work luncheons, dinner dances, retirements, picnics, union functions and many other events. I will miss her beautiful smile! I am praying for her family at this difficult time. May She Rest In Peace!* 💔🙏

“ *Linda was like family. We didn't see each other often. But when we did it was as if we picked up from we left off. Many years at camping in our RV clubs. Family gathering and celebrations. You will be truly missed. Rest up Linda. Definitely gone too soon.*
