“ To the family of Nicole.. I Thank God for giving me the opportunity to spend time with Nicole while at Pioneer & Wellcare doing the time we first met we didn't know that we had so many connections in common. My mother had been a part of her care at Henry Ford Hospital when she was a young girl.. I also graduated with her mother from high school. It developed into a great sisterhood friendship.. I admire the way she embraced life head on each and ever day. She was such a Great Mother to her daughter. Nicole became the little sister I never had...I will miss seeing and talking to you. but most of I will miss your Amazing Spirit!!

Rest In Heaven

“ I had the wonderful pleasure of working with Nicole at Heritage Manor. Just a high spirited person with an amazing smile! She gave me my cute puppy “Princess” a few months ago. During this difficult time please find comfort in the word ---Isaiah 25:8 that states that one day God will wipe all the tears from our eyes and death will be no more. May you find peace during this difficult time as you reflect on how caring our heavenly father is towards those who mourn. I pray for your strength and endurance as you go through this difficult time.

“ *Condolences to Nikki's entire family especially to her parents Michael and Sherll. I have known Ms. Nikki (nickname that I gave her as a little girl) every since she was a little girl. Sherll and I worked together for many years. I knew first hand of all of the struggles Nikki endured once she was diagnosed at an early age with her illness. Ms. Nikki will surely be missed! No more pain and suffering! Our hearts will eventually heal with pleasant memories.*
