“ *Lisa and I met each other at Dunham's. We both worked there many years ago and we've been friends ever since. She was the life of the party and lots of fun wherever she went. I'm going to miss her deeply. You have our sympathy and prayers. From Monica Goldsby*

“ I met Lisa over 30 years ago when we attended Ferris State. We both stayed at Hallisy Hall. Even though im older, she saw that I was shy and befriended me. We lost touch for a few years but fate had other plans and since then we have been inseparable. My traveling buddy, my confidant, my best friend. I dont know what Im going to do without you. I love you so much Lisa, thank you for being there . I will never forget your beautiful spirit or that smile. We had some of the best laughs!! You will forever be my best friend-

From 2003 to 2006 we worked together and her spirit was always high even when working hard. A great engineer and great person that will be missed by many. My deepest condolences for those closest.

I met Lisa when she worked at Nissan, she was always so wonderful. After she left we kept in touch for awhile - but then just lost touch. I missed out on a wonderful person. I'm just so sad and sorry for you loss
