“ *I am so sorry for your loss. I knew Lisa from high school and am so sorry to hear of her passing. I know personally the pain and hopelessness that comes when you lose someone you love. I find comfort in the Bible's message at Psalms 34:18 that says Jehovah God is close to the broken-hearted and he save those crushed in spirit. He does this because he cares for us. My family and i pray that you get comfort and are able to endure this difficult time. God promises us relief from from sickness, pain, sorrow and death. Until that time comes, please for that there are many who mourn along with you.*

“ Sometimes not even words can describe the shock and disbelief a person can feel when unexpectedly losing a loved one or a great friend. I can tell you that at the moment of hearing of my good friend's passing at such an early stage in our lives, I felt it all!!! If I remember anything about our Lisa, it is that she lived her life to the fullest and she loved hard!!! To her and her loved ones I give the only quote I live by..."It matters not how straight the gate, how charged with punishment the scroll. I am the master of my fate, I am the captain of my soul." Invictus
Lisa's wild spirit will live on in us all!!!

“ *Scott Dawson, and my daughter Arianna.*

In remembrance of friend of a good friend, Lisa Norwood is and will always be a sweet and loving woman who I had the pleasure to meet during my time at Wayne State University. She was the one who introduced me to my best friend Todd, her brother, when we were at Wayne State. She was always a pleasure to talk to and would have a smile on her face every time I saw her. To her loving memory and to her 2 children I send a heartfelt and warm hug and kiss and condolences.

In our absence, we send our love and a word of encouragement that Lisa lived her life to its fullest and touched many peoples' lives. We should celebrate the person she was and the persons that she has helped us to be, for that would be the best gift to give in her honor. I'm deeply sadden to hear of her passing, but will never forget without her I wouldn't know my friends and the Norwood Family.

My Deepest sympathies to all who mourn her passing.

Love always, your friend Scott Dawson and my daughter Arianna, 8.
