“ *Lloyd you were my “work brother” at Chrysler Corp. for many years. I cherished your friendship even after we both retired. The phone calls just to check up on me and the Christmas card every year. This was the first year that the card didn’t come and I forgot to send mine too. May You Rest In Peace. Your friend. Carol Adderton.*

“ To the family of Lloyd Thompson we send our heartfelt prayers of comfort and love.

We had known Mr. Thompson for over 50 years. We have a few fond memories of him as a stalwart neighbor and a kind, caring man. The memories of him bringing chicks back from the south and laughing at my son trying to catch them, or his rooster crowing in the morning both come to mind. He always spoke when he saw you. Also, he once told us he had a brother named Winston, like my son. My sister remembers the 3-wheeled purple motorbike too.

He was loved and respected by many. And will truly be missed. God rest his soul.

Our sincerest condolences.

“ I wish to extend my condolences, constant prayers and support to the Thompson Family. I pray God will give you the strength you will need during this difficult time.

I've had the pleasure and honor of knowing Lloyd since 1973 when I moved into my home across the street from him.

He was always there for the neighbors! I'll cherish the things he did for me and others (cut our grass, removed the snow, shared vegetables he grew or received, watched out for everyone which included the children and our homes, caught animals in his traps, raised farm animals in his "backyard farm" LOL, waking up to his rooster crowing in the mornings, see him riding his motorcycle or driving that mobile home, our talks, visits, phone calls EVERY Mother's Day, and so much more).

I thank God for giving me the opportunity and privilege to know Lloyd. I will truly miss his beautiful smile, hearty laugh, and him sitting on the porch waving or calling out my name every time he saw me leaving or returning.

I pray the family knows God makes no mistake, and Lloyd's calling in his lifetime (81 years on earth) has been fully accomplished.... a job well done!

I know and believe my friend and neighbor, LLOYD THOMPSON, has found peace and will continue to Rest In Heaven 🙏.
