“ *The news of Loleta's passing has brought us great sadness. There is so little one can say or do to ease the sorrow in your heart. Our hearts, thoughts, prayers, and deepest sympathy go out to Loleta's family and friends during this difficult time.*

We are fortunate to have worked with Loleta and Bobby and become friends, which is truly a blessing. Our hearts are warmed by the thoughts of precious memories, both professionally and personally.

Loleta's way of living and touching the hearts of others made her truly one-of-a-kind and a person who will always be remembered. We are hopeful that you gently wrap yourself in the things that never ever leave us, which is a lifetime of memories and love, which is forever. From heaven, Loleta will be watching over her beloved ones. She will be an incredible guardian angel. Take good care and may God keep you in His comforting hands.
