“ *This message is for my " Big Sister " and Only Sister Lolita Marie Arnold, from childhood to her adulthood, she was a strong spirit that loved well, always wanted well and believed in love. As I her only Sister, Ronnita, will forever love and cherish her. We are bonded in physical and spiritual because we carry the same blood. My Sister "Lolita was such an amazing strong person that could do whatever she would put her mind to do. As we grew up she decided that after high school she would attend Davenport College in Lansing, MI to go in to the field of helps."Nursing" I remember this day because I did not want to leave out of her dorm room that day as she would travel a new path... But as my big Sister, she said Ronnita " Be strong". as always she would be that rock.. When as time went on as we became young women, we traveled various paths. I got the joy of been at both my nieces birth and to be apart of their early years. my path took me differently, and my Sister said to me " Be Strong"... So I did as she said to do.. As time progress, she developed a family with Brandon, and had two more wonderful children. I then said to her
Be Strong!. My Sister as many may know me or may not know me as her only sister I loved her with the deepest respect, because she was my Big Sis! My Lolita, means the world to me... As she had many conversation with me during her life challenge we talk about transition and how she had a peace, if the Angels so call me, and say come I will answer she said. I remember my heart being heavy and we had this discussion and at the same time knowing that she will forever be with me. Even though she left this life in the physical form. Her Spirit is free!! Free!!... and as I have heard her voice whisper to me.. and calls my Name as the wind.. Be Strong!! Ronnita I love you...So to all that will read this my hope is that you will understand a Sisters bonded lives on forever... As I see the stars I am reminded of her every night... This is to My Sister.. Lolita"*

I was a coworker of Lolitas on the midnight shift and a friend. Lola was a incredible person. Always with a smile a laugh that would light up the room. She was a proud mom and wife. Her faith in Christ was strong and I cared about her deeply. Good bye my friend until we meet again. Prayers of comfort and healing to all of her family and friends. Nancy Reese

“ *That though the radiance of Lola which was once so bright be now forever taken from our sight. Though nothing can bring her back, let's not grieve, rather find strength in what remains behind. She will be missed.
I am sorry for your loss. Our hearts are saddened by your loss and our thoughts and prayers are with you.*

*Sincerely,

“ *Words can not describe the sadness we all feel. But, those of us that knew her feel a tremendous sense of loss. Loss of a friend. Loss of a co-worker. Loss of a classy woman that shared her charitable kindness to others. Our hearts are not empty, because she filled them. Our hearts are forever grateful, and will always remember her with love and respect. The same love and respect she gave to all of us.*

"Jesus, remember me when you come into your kingdom." Jesus answered him, "I tell you the truth, today you will be with me in paradise." (Luke 23:42-43)

With much love and respect, Ms. Lola.
