

## Mrs. Lorene Jones

December 9, 1944 - October 13, 2015

Going Home Celebration For Lorene Jones:

Today we are not here to mourn but to celebrate the life of Lorene Jones. She was born in Little Rock, Arkansas to Irene and Heddra Leneer on December 9, 1944. She had nine sisters and eight.

Lorene Leneer married Leonard Jones until he passed. She had one daughter, Connie Bright (who is now deceased) and a son-in-law, Jessie Bright. She had two grandchildren, LaKinya Bright and Jessie Bright and one great-grandson, Marcus Peppers.

Lorene was a very strong-minded, determined, hard working woman. She owned three homes and she retired from Detroit Receiving Hospital in the Radiology Department. She was truly a social butterfly with a smile that could light up this world.

She leaves behind a host of family members and friends who loved her unconditionally, just as much as she loved them. Rest in heaven Lorene Jones, you will forever live in our hearts.

“ *Aunt Lorene you made your transition here on earth. To know you're pain free and no longer suffering makes it easier to know your resting well and have made it home to be with Jesus and the rest of your family/friends. You had an amazing smile. It was big and beautiful. I'll cherish the memories I have of you and that smile is the one that I'll treasure the most. So enjoy the greatest place there is HEAVEN and I'll see you again until rest easy. Love your niece
