“ Hi Rhonda, I wanted you to know that I've been lifting you and your family up in prayer for a while now.

*I know how it is taking caring of my mom. They are our rock and if I had to do it again, I wouldn't change a thing.*

*Your mom is at peace and you have another angel looking over you and your family. Your dad is not alone anymore! They are both sitting back, looking down and smiling, saying.. "look what we have created...ain't God good!"*

*Remember...to be absent from the body, is to be present with the Lord! Amen*

*Love you and can't wait to see your giggling self back on FB.(smile)*

*Praying for you and yours!!!*

“ To Rhonda, Robin and the entire Harvey family, I am still in shock to hear of this devastating news, we go back Beechwood days at the old John Wesley., I know your parents are smiling down on each of you, they did an excellent job of raising you, be proud of the strong women you have become, treasure the memories but most importantly keep God first and he help get you through these difficult times. I will continue to pray for strength and peace., love you all Vennette Buice
