“ *I was saddened to hear of Louella's passing. It was a pleasure working with her for many years. She was one of the nicest and funniest persons that I have ever met, and made the workplace enjoyable with her lively sense of humor. Sincerest condolences to her family and many friends. Louella was one of a kind. I am grateful that the Lord allowed our paths to cross. Rest in peace, my friend.*

“ *I was blessed to work with Louella (17 years) and know her for 22 years. She possessed a tremendous sense of humor that was coupled with a infectious and captivating laugh. She was very straightforward and you ALWAYS knew where you stood with her. I am happy that the last time I saw her she and another great friend stopped by my house for h'oedurves and a glass of wine. Her passing has saddened me deeply as I will sincerely miss her as I know many others also will. I thank God for allowing our lives to intersect. I pray that God will grant her family and many friends some respite from their grief during this period of our bereavement.*
