“ *Dad,*

I came into your family not knowing what I'd find. I was nervous and a little afraid. You quickly eased my mind with that special kind of charm that I love so much about you. You made me feel right at home from the first day that we met.

You welcomed me and my children with opened arms. And that I won't ever forget. I will truly miss our visits and stories that only you could tell. I could count on you for a good laugh. You were GREAT father in law. You stand out above the rest.

I thank God for blessing me and my children with the time and great memories we had with you.

Love you

Always and Forever (my favorite song)
