“ *Dear Ellison family. Please accept our deepest condolences for the loss of your mother and grandmother. Grandma as Duriel called her and because of him I called her Grandma Ellison was a very kind and wonderful lady. I remember going to her house about a decade ago when Duriel and I were in college for thanksgiving. We ate some of her delicious cooking and watched Detroit Lions football. The last memory I have of her is from Duriel's masters graduation a few years back. She will be dearly missed and my prayers are with the Ellison family. May her soul rest in peace and lots of love and prayers from the Munir family.*

“ To my beloved family, Dennis and Darius, my heart is heavy due to the loss of your mother and my twin sister, Louise. Although we were miles apart we spoke with each other daily or sometimes twice a day sharing our thoughts and reminiscing about our past together. I will miss her so much, but I know she is in a better place. May God's peace be with you and know that we will see her again.

“ To my sister, I will miss you dearly, my heart is so heavy right now. My tears are still flowing but I know that you are alright. Even though we have not seen each other but God blessed us to talk often and have those great conversations. You usually got on me but as your brother you were suppose to. Sharing the years growing up with you and Lucille were great memories, We were blessed and even though you left I always knew you were strong will. God has called you home now, The angels are watching over you and mother. To my nephews, Darius & Dennis may God keep you in his care always and I love you dearly.

“ Louise and I grew up together, went to school together, and spent a lot of time together in the fort cheatham community. She was one of my favorite first cousins. After high school she moved with Frank to Detroit and I later moved to California. Thus, we saw little of each other. We talked by phone occasionally and I visited her in Detroit a few times. Darius and Dennis, I know you will miss her as we all will. Call I and I are truly sorry you have lost your mother and we have lost a friend. Take care. I have posted two photos on her obit page. I hope you are ok with that. Love,
Clarence and Callie
